The Defensive Driving Course (DDC) - is a surefire way to keep your driving skills sharp, reduce points on your license and save money on your car insurance! It is a six-hour classroom course approved by the *Department of Motor Vehicles*, and is sponsored by the *New York Safety Program*. When you complete the defensive driving course, you are guaranteed to save 10% off of your liability and Collision premiums. These discounts are guaranteed for each of the next three policy years, for any automobile, recreational vehicle, personal truck, or motorcycle where you are listed as the principal operator. We look forward to having you join us for an interesting and moneysaving day or education!
