President's Message

Denese Thompson

I hope everyone had a Happy Holiday and my wish to you all is for a safe and prosperous New Year. 2007 is here and it is time to make all those resolutions that you probably won't keep anyway. One that you should definitely strive to keep is a simple one – Get Involved! No matter what it is – your local association or Federation, your local community or religious organizations, your office or other business affiliations – it is a rewarding feeling to know that you have done something that makes a difference in another persons (or even your own) life.

The Charity Auction is just around the corner (**March 28, 2007**) and we need to step the planning process up several notches. Save the Date flyers were mailed and will be followed with a blast email to as many of last year's attendees as possible. The next auction planning meeting will be scheduled for **Tuesday, January 16, 2007** at my office in Garden City. We will be looking for volunteers so we can hand out specific assignments. Everyone who's able is welcome to come. As we get closer to the event, meetings will be held more frequently and at different locations depending on what needs to be done. Journal Ads are the key to our success every year. Please start talking to your employers, friends, local businesses, etc. about taking out an Ad. Forms are included as an attachment to this Newsletter.

Federation's 64th Annual Convention is scheduled for **April 19-21, 2007** at Saratoga Springs, NY. I've attached the Hotel and Convention Registration forms hereto. You can also find these forms in the winter edition of the Federation Newsletter. Insurance Professionals of Dutchess and Orange Counties host this year's convention. If you are planning to attend, please be sure to register early. Registration Deadline is **March 1, 2007**. Educational classes providing 13 CE credits will be offered during the convention. Make sure to sign up for these classes when registering.

Please let me know if you plan on attending Convention this year. There are several scholarships – Jeanne Tice Scholarship, that reimburses one lucky First Timer the cost of their convention registration; the L. Justine Gobel Scholarship awards to one full convention registrant \$250.00 towards their educational expenses. The deadline for applying for these scholarships is **March 15, 2007**.
